MACHINERY STOCK
Update July 2020

Complete Lines:

- Item 81:* 1 Mackie tape extrusion line – diameter 65 mm – auto screen changer – die 650 mm - with chill roller – fibrilator + complete with downstream: 2 sets of godets –L 1000mm x dia 190 mm + 2 ovens each 2500 mm
- Item 82:* 5 CF lines complete with winders
- Item 90:* 1 Covema 120 mm tape extrusion lines – chill roller – godets – oven – die 1000
- Item 97:* 1 part tape line 90 mm – Italian extruder Dolci + godets
- Item 98:* 1 Barmag tape extrusion line, with a fibrilator extruder 90 mm – L/D 30 -with dosing unit
- Item 102E:* 1 Kalfass packing machine
- Item 102H:* 1 Rieter-ICBT 2 for 1 twister – each side 21 positions – year 2003 – pot dia 350 mm -can be seen running
- Item 102K:* 1 Erema recycling line – for PP & PE – 175 kgs/hour, no pelletizer – year 1998
- Item 102L:* 2 Barmag strapping lines – 1 x 90 mm + 1 x 60 mm\
- Item 102M:* 1 SIMA PROMATECH strapping line (no winders)
- Item 102P:* 1 Windmoeller & Hoelscher Filmex Cast film line
- Item 102R:* 1 Union recycling line 120mm -L/D 35, spaghetti die, dosing, cooling, pelletizer
- Item 102Z* 2 SAHM PP CF high tenacity extrusion lines- Tenacity 7
- Item 102Y* 1 Presto Horizontal automatic baling press – Year 2008 - as new
- Item 108B* 1 Starlinger coating line ww 1300 mm double side coating of tubular fabric
-
- Ref. No. 102C:* 1 Barmag extruder dia. 90 mm – L/D 24 with control panel + drive
- Ref.No. 102D:* 1 Barmag extruder dia 90 mm – L/D 30
- Ref.no. 102F:* 1 x 90 mm extruder Dolci
- Ref. No. 103:* 4 Barmag extruders 35 mm
- Ref. No. 104:* 1 Plasticizers extruder 45 mm
- Ref.No. 104A:* 1 Barmag extruder 50 mm Type 6E4 with panel
- Ref. No. 105:* 1 Plasticisers extruder 20 mm
- Ref.no. 105A:* 4 Barmag 120 mm extruders L/D 24 – with drives and 55KW AC motors have been used for polyester
- Ref. No. 108:* 1 nylon polymer dryer
- Ref.:no. 108A:* 2 AZO discontinue dryers for polyester – no pumps – 5.000 M3/hour
- Ref. No. 114:* 9 Sahm winders type 280 – traverse 300 mm + panel
- Ref. No. 129A:* 1 set of godets 7 rollers – 1100mm x 180 mm dia

Ref. no. 129B: 1 set of godets 7 rollers – 1000mm x 60 mm dia + integrated fibrilator
Ref.no . 130 2 Barmag ovens 2500 mm x entrance 1100 mm
Ref. No. 131: new parts of a recycling line – dia 120 mm – new screw – with spaghetti die + David Brown gearbox for a 150 HP motor
Ref. No. 134B: 1 horizontal press
Ref. No. 136: 1 watercooler
Ref.No. 136A: Watercooler CLIMAVENETA HPAT/B 0512 – 65 KW compressor
Ref. No. 137: 1 NEUMAG staple fibre crimper – entrance 80 mm
Ref. No. 139: 1 Neumag Witrax 6008R for 8 ends – almost new, only used for a few months year 2000
Ref. No. 140: compressors
Ref. No. 141: tanks for compressed air
Ref. No. 142: oil heaters
Ref. No. 144: inox waterbath – width 75 cm – waterbath 1100 mm width
Ref. No. 146: several Sahn winders for cf yarn
Ref. No. 147: several Barmag Spinnzwirn LFW 25 winders
Ref. No. 152: 1 screenchanger – Autoscreen - was fitted on a 45 mm extruder
Ref. No. 153: several flat tape dies – 800 mm width –
Ref. No. 154: waste boxes with vacuum systems
Ref. No. 156: 1 waste suction box (metal)
Ref.No. 156A: 1 waste suction box (wood)
Ref.No. 162: 6 rewinders
Ref.No. 164: 3 Fans with motors of about 12 KW
Ref.No. 165 1 spaghetti die
Ref. No. 170 1 Plasticolor 3000 dosing unit for 3 components + 1 for polymer
Ref. No. 171 1 Guardian Process Control dosing for 4 components
Ref. No. 172 1 AZO dosing for 2 components + 1 for polymer

Ref. No. 202: 11 Leeson rewinders, traverse 400mm

Carpeting:

Ref. No. 300: 100 Hirschburger winding heads, cylindric tubes, traverse 250mm
Ref. No. 301: Gilbos winders, 4 sets of 6 spindles each
Ref. No. 304: 1 carpet forming machine for stair carpet pieces
Ref. No. 305: 1 Autoclave , length 5.60 m, inner diameter 1.60 m
Ref. No. 307: 2 mending-guns
Ref. No. 308: knives, needles, loopers for tufting machinery
Ref. No. 310: 2 sets of 4 Dietze & Schell winders – traverse 250 mm

Weaving:

Ref. No. 400: 1 Picanol loom type GTM – working width 190 cm. – year 1986

Various machinery:

Ref. No. 501: 1 David Brown gearbox, NEW-never used, 150 HP

USED LABORATORY EQUIPMENT

Ref. No. 600: Electric scale: Mettler, max 2000 gr.
Ref. No. 601: Zellweger Ltd. Uster spectograph, type SPG-26, no. 4923-6997
Ref. No. 602: Zellweger Ltd. Uster integrator, type ITG-L-110, no. 924-10104
Ref. No. 603: Zellweger Ltd. Uster evenness tester, type GGP-B-29, no. 921-4074
Ref. No. 607: Drier TK/L –crimping test without HW,SW Textechno-Germany
Ref. No. 609: Fafegraph M – strength and elongation test of BCF yarn with HW,SW –

Ref. No 611 – MINOLTA CHROMAMETER – Type CR 321

RAW MATERIALS

Approx 4.500 kgs PA 6 masterbatch – several colours –
Approx 500 kgs antistat Monsanto yarn – 33/2 dtex
